Re: Beale Township's Hazardous Mitigation Plan

Please mark your calendar for Tuesday, April 29, 2008 from 1:00-1:30 PM.

A work session has been scheduled to assist townships and boroughs in completing the following documents:

- Capability Assessment Survey
- Hazard Mitigation Project Forms

The meeting will be held in the City Building Conference Room.

Why is this important? When the Tri-County Hazard Mitigation Plan is approved by the Federal Emergency Management Agency (FEMA), Beale Township will be eligible to apply for federal funds to address the identified hazards. Also, Beale Township's position to obtain state funds to assist in correcting specific hazards will be strengthened.

If you do not participate If you do not complete the appropriate forms, your eligibility for federal and state funding will be severely compromised.

Troy Truax of Delta Development Group, Inc. of Mechanicsburg, PA will be present to provide guidance and assistance in completing the forms. **Please confirm your attendance by calling his office, 717-441-9020 or contact him via email at ttruax@deltaone.com.**
